Summary

With over 12+ years of hands-on experience in Search Engine Optimization (SEO), I specialize in driving sustainable organic growth, improving keyword rankings, and building data-driven SEO strategies that convert.

I have strong expertise across Technical SEO, On-page Optimization, Content SEO, and Strategic Link Building, along with advanced skills in WordPress development and Looker Studio reporting. I've led SEO teams, managed enterprise-level websites, and worked closely with clients to align SEO strategies with business goals.

My experience includes AI Search & Google SGE optimization, Core Web Vitals improvements, schema implementation, crawl budget optimization, and international & local SEO strategies. I am highly skilled at conducting in-depth website audits, competitor analysis, and translating complex SEO data into actionable insights through clear reporting and compelling case studies.

Beyond execution, I excel at proposal creation, client communication, team mentoring, and staying ahead of industry trends through continuous learning, workshops, and community involvement.

Passionate about building scalable SEO systems that deliver measurable results.
